

Ishikawa Prefecture Measures Related to New Coronavirus Infections

Request to all citizens of Ishikawa Prefecture

① Establishment of the “New Lifestyle”

Maintain social distancing, the wearing of masks and handwashing

② Refrain from traveling between prefectures

Residents are urged to refrain from non-urgent trips including travelling and returning to hometowns

③ Avoid visiting establishments where clusters have previously occurred, or the “Three Cs” overlap

Request for Suspension of Facility Use (Business Suspension Request)

In principle, the request for suspension of facility use (business suspension request) is lifted

*However, the request for suspension of facility use where clusters have occurred nationwide will continue

(Establishments where clusters have occurred)

- Hostess bars, nightclubs and other such premises that serve customers
- Karaoke rooms
- Live music venues
- Gyms

NB: From May 15, the request for suspension of facility use has already been lifted for universities/cram schools etc., museums, hotel or inns (whose areas are used for meetings) and commercial facilities with a total floor area of 1000m² or less
